A Message from our Managing Director

We are aware that the Covid-19 virus and subsequent Government announcements are affecting everyone in all walks of life.

As a company, we are fortunate in that we can continue to carry on our daily business tasks as many of our staff already have the capability of working from home. We now also have our remaining staff set up to work from home. We will retain a presence at our head office to ensure workflows continue and we have put in place good communication links to ensure this.

Please bear with us if it is a little slower than normal at times to respond to some enquiries. We will be working very hard to try to maintain our standards throughout the coming weeks.

Our advisers will still be able to carry out meetings with clients but these will now be remotely arranged either by phone or via secure software.

Please do contact us if you have any concerns that you wish to discuss.

You can call us on 01530 267 150, email us at advice@ashwoodlaw.co.uk or phone your adviser directly.

Please see our website www.ashwoodlawwealth.co.uk for important financial information.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Robert Lawson", with a long horizontal flourish extending to the right.

Robert Lawson
Managing Director
